HOW TO DRESS FOR PROGRAMS

Participants should dress for the out-of-doors. Shoes or sneakers (not sandals) are required footwear. Long pants are suggested to protect against poison ivy and insect bites. A hat is recommended.

Summer Family Fun (ages 2-8).

Friday sessions will be spent wading in the stream; old sneakers and shorts are more appropriate for these days.

Footwear must be worn in the stream.

Water shoes must have a back strap and toes must be covered.

All participants should bring rain gear, if the weather looks threatening. You may want to bring a small backpack.

WATER

All participants should bring water. Snacks are encouraged.

INSECT REPELLANT

Insects are attracted to strong smelling shampoo, soaps and sweet-smelling snacks. Your first line of defense should be the elimination of all strong aromas. Some repellants are extremely toxic. These repellants on hands or skin can be harmful to water critters or other animals you may handle. People with insect repellant on will not be allowed to handle insects or be in the stream.
